

Manage Healthcare Costs and Empower Employees with Benefits Resource Genie™

When it comes to healthcare benefits, your clients have options. Benefits Resource Genie™ helps businesses and their employees find comprehensive solutions that improve access to healthcare and help manage cost.

With Chubb, you can offer comprehensive solutions that:

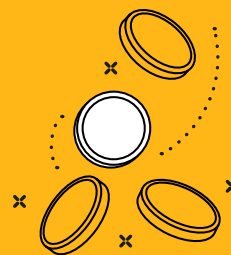

EMPATHIZE

with employees' situations and provide the best path forward.

EMPOWER

employees to choose the medical plan that's right for them.

SAVE MONEY

on company healthcare costs by an average of 2-10% of the group's annual budget.

Optimize your clients' benefits programs in just three simple steps.

01 Resource Impact Analysis

We start the conversation with a complimentary Resource Impact Analysis that demonstrates to your clients just how effective our process can be in transforming their medical spend.

02 Household Study

Benefits Education Specialists converse with your clients' employees to understand their household situations and educate them on their best options (both inside and outside of their employer-sponsored plan).

03 Member Support and Alignment

Leveraging the information acquired during the Household Study, Executive Resource Specialists develop and present opportunities that can be realized as part of your clients' ongoing strategies.

What broker partners and clients are saying about Benefits Resource Genie™

POWERED BY  **Benefits** ALL IN

"Benefits All In delivered on all of their promises. They were professional, timely and flexible. I would recommend Benefits All In again."

**SENIOR VICE PRESIDENT,
NATIONAL BROKER**

"We implemented in Oct for 1/1 enrollment and things could not have gone better. Benefits All In was so responsive and willing to make adjustments in the middle of the process. They provided consistent and clear communication. We had many employees express their gratitude for the hands-on service they received during OE."

Benefits All In's team was able to provide the 1-on-1 customer support we could not provide. Partnering with them has been one of the best benefit decisions we have made. It has been a win for our benefit team and our employees."
